REMARKS.

As this catalogue will be mailed to some who have not bid on previous Distribution Sales, I would say that they only differ from a regular auction sale in the fact that all bids are entered as received, and the lots are distributed on the day named according to the highest offer.

No large lots are divided in any manner. Bids are so much each—for example, if a lot contains 10 pieces and you wish to give $1 for it you bid 10 cents. New bidders with whom I am unacquainted will have to remit before goods are forwarded. All mailing or express charges must be paid by purchaser.

Soliciting bids, knowing there will be many bargains, I remain,

Yours truly, CHAS. STEIGERWALT.
